TORONTO DESIGNERS

SAMER SHAATH AND KEVIN CHAN

co-founded Nivek Remas in 2013 after working together at Yabu Pushelberg. Upcoming projects include a country home for Avenue Road founder Stephan Weishaupt and a boutique townhouse development for Curated Properties.

A private residence in Toronto designed by Samer and Kevin.

COLOUR CRUSH

Raspberry Parfait (2172-40), Benjamin Moore.

PAIR IT WITH

Bricktone Red (2005-30), Benjamin Moore.

A guest room in the Hoshinoya Tokyo hotel.

HOT TAKE

SAMER SHAATH AND KEVIN CHAN SHARE THEIR PREFERENCES AND PREDICTIONS FOR 2020.

ATMOSPHERE YOU LIKE TO CREATE IN A HOUSE: Comfortable and eclectic.

DESIGN MOTTO: Create impact and evoke emotion.

INTO: Tempered metal and waxed finishes.

OVER: Rose gold and faux finishes that emulate natural finishes, such as fake wood and stone.

HOT SPOT: The Hoshinoya Tokyo hotel during the 2020 Summer Olympics.

IF YOU COULD ONLY BUY ONE MORE THING FOR YOUR HOME: Julep sofa by Tacchini.

Designed by Jonas Wagell for Tacchini, the Julep sofa has a curved design that was influenced by the 1950s avant-garde movement. From \$7,637. At Kiosk.

Contemporary Tempered Steel cube by Sabine Marcelis. Approx. \$2,738. Through 1stdibs.

"FASHION AND ART WILL CONTINUE TO BE A HUGE INFLUENCE ON DESIGN IN 2020"

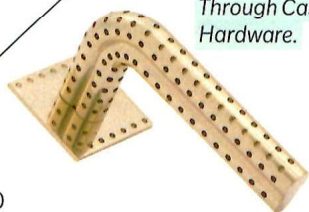

POSH LEVER

Trade classic curvy levers for graphic versions. Casson Hardware's handle stays true to the traditional shape, while perforations give it a futuristic feel.

CLASSIC: Torino privacy set in Polished Brass, \$149. At Ginger's.

MOD: Stardust Perforated lever handle on Rose in Polished Brass by Stéphane Parmentier for Maison Vervloet, from \$1,550. Through Casson Hardware.

STYLE SWAP

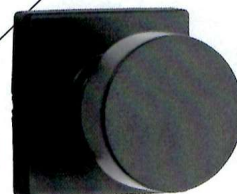

DOOR TO DOOR

Give your classic hardware an update with these mod alternatives.

CLASSIC: Egg knob in Flat Black, approx. \$224. Through Emtek.

MOD: Cambie Passage knob in Black by Weiser, \$38. At The Home Depot.

BLACK DOORKNOB

Black hardware has an edgy look, but Weiser's knob, with its clean design and perfectly round shape, gives modern a new meaning.
